

September 5, 2023

Dear Parents/Guardians,

The Edgemont community is a vast space with opportunity for exploration and curriculum enhancement.

Tom Baines is in walking distance of a number of areas including the ravine, Foothills Alliance Church and any number of walking paths and sidewalks. We want to take advantage of all of the surrounding area so we are letting you know that when the need arises, we will take the students off school campus to explore the areas that we are able to walk to safely.

If a class is participating in an enrichment assignment off campus in the Edgemont community, the teacher will inform you (through blogs or email) of the date and time. Classes such as PE, Health and Wellness, outdoor education, and the grade 6 Wilderness option will go offsite more frequently so they will not let you know every time they are off campus, but the school office staff will be informed.

If you have any questions or concerns, please let Ms. Lloyd (ndlloyd@cbe.ab.ca) or Mr. Siakaluk (djsiakaluk@cbe.ab.ca) know.

Thank you in advance for your support.

Tom Baines Staff
